

Guildhall Music And Drama

Guildhall School of Music and Drama (London, England), John Holgate, Ambrose Marriott

The Guildhall School of Music and Drama Connect II Project Graham Welch, Colin Durrant, Ross Purves, 2006-01-01

The Reflective Conservatoire George Odam, Nicholas Bannan, 2005 Across the world, fundamental changes in the music profession are in progress, stimulating profound questioning of the values promoted by conservatoires and specialist music schools. Techniques and methods used in preparing young musicians for a life dedicated to the performance and creation of music are being re-examined. This collection of essays and studies exposes the public to some of the debate taking place within one conservatoire. These, together with the accompanying DVD, provide a variety of evidence resulting from research and development activities by performer-teachers associated with the Guildhall School.

Guildhall School of Music & Drama Quality Assurance Agency for Higher Education, Quality Assurance Agency for Higher Education. Institutional Review Directorate, 1999

Earthquakes in London Mike Bartlett, 2021-08-12 It's Cabaret, we've got our heads down and we're dancing and drinking as fast as we can. The enemy is on its way, but this time it doesn't have guns and gas it has storms and earthquakes, fire and brimstone.... You were the glimmer. At the end of the tunnel. And you went out. Earthquakes in London is a fast and furious metropolitan crash of people, scenes and decades, as three sisters attempt to navigate their dislocated lives and loves, while their dysfunctional father, a brilliant scientist, predicts global catastrophe. The play deals, through amplified theatricality, with a range of contemporary issues from population growth to climate change. An all-pervasive fear of the future and a guilty pleasure in the excesses of the present drive Mike Bartlett's epic rollercoaster of a play from 1968 to 2525 and back again. Earthquakes in London first published in 2010 and has subsequently become a much-produced and widely studied drama text. It is published here as a Student Edition alongside commentary and notes by Bridget Escolme. The ancillary material is geared at students and includes: - an introduction outlining the play's plot, character, themes context and performance history - the full text of the play - a chronology of the playwright's life and work - extensive textual notes - questions for further study - an interview with the playwright

The Oxford Handbook of the Operatic Canon Cormac Newark, William Weber, 2020 Opera has always been controversial, not only because of how vastly expensive it is to produce. It has historically been a vital and complex mixture of high art and commerce, socially elite and popular or middle-class, the new and the increasingly old. When a city wants a new landmark

building, an opera house is very often the solution: why should this still be the case? The Oxford Handbook of the Operatic Canon examines how opera has become the concrete edifice it was never meant to be, by looking at how it evolved from a market entirely driven by novelty to one of the most arthritically canonic art forms still in existence. This new collection addresses questions that are key to opera's past, present and future. Why is the art form apparently so arthritically canonical, with the top ten titles, all more than a century old, accounting for nearly a quarter of all performances world-wide? Why is this top-heavy system of production becoming still more restrictive, even while the repertory is seemingly expanding, notably to include early music? Why did the operatic canon evolve so differently from that of concert music? And why has that evolution attracted so comparatively little attention from scholars? Why, finally, if opera houses all over the world are dutifully honoring their audiences' loyalty to these favorite works, are they having to struggle so hard financially? Answers to these and other problems are offered here by 26 musicologists, historians, and industry professionals working in a wide range of contexts. Topics range from the seventeenth century to the present day, and from Russia to England and continental Europe to the Americas. In an effort to reflect the contested nature of most of the issues facing opera, each topic is addressed by two essays, introduced jointly by the respective authors, and followed by a jointly compiled list of further reading. These paired essays complement each other in different ways: for example, by treating the same geographical location in different periods, by providing different national or regional perspectives on the same period, or by thinking through similar conceptual issues in contrasting or changing contexts. Posing its questions in fresh, provocative terms, The Oxford Handbook of the Operatic Canon challenges scholarly assumptions and expectations, and breathes fresh air into the fields of music and cultural history.

The Marriage of Music and Dance ,1992-01-01

Musical Theatre David Henson,Kenneth Pickering,2017-09-16 An accessible and engaging second workbook on musical theatre, presenting students with the next steps for extending their skills in acting, dancing and singing. Filled with imaginative practical and theoretical exercises, this workbook reveals the anatomy of musical theatre and offers inspiration, challenges and companionship along the path to successful performance. In so doing, it enables students to structure their time and hone their abilities, so that they can achieve their full potential in what is seen as an exciting but intimidating field. Through this interactive approach, students are challenged to take responsibility for their own learning and development, by closely examining the acting, singing and choreographic demands of musical theatre. This is an ideal text for undergraduate

students on musical theatre degree programmes, and general theatre and performance programmes where optional modules on Musical Theatre are offered. In addition, this resource is well suited to students taking accredited and non-accredited Diploma courses in musical theatre.

Performance in the Twenty-First Century Andy Lavender, 2016-05-26 *Performance in the Twenty-First Century: Theatres of Engagement* addresses the reshaping of theatre and performance after postmodernism. Andy Lavender argues provocatively that after the 'classic' postmodern tropes of detachment, irony, and contingency, performance in the twenty-first century engages more overtly with meaning, politics and society. It involves a newly pronounced form of personal experience, often implicating the body and/or one's sense of self. This volume examines a range of performance events, including work by both emergent and internationally significant companies and artists such as Rimini Protokoll, Blast Theory, dreamthinkspeak, Zecora Ura, Punchdrunk, Ontroerend Goed, Kris Verdonck, Dries Verhoeven, Rabih Mroué, Derren Brown and David Blaine. It also considers a wider range of cultural phenomena such as online social networking, sports events, installations, games-based work and theme parks, where principles of performance are in play. *Performance in the Twenty-First Century* is a compelling and provocative resource for anybody interested in discovering how performance theory can be applied to cutting-edge culture, and indeed the world around them.

The Outstanding Actor Ken Rea, 2021-01-14 Drawing on Ken Rea's 35 years' teaching experience and research, as well as interviews with top actors and directors, *The Outstanding Actor* identifies seven key qualities that the most successful actors manifest, along with practical exercises that help nurture those qualities and videos to demonstrate them. Featuring contributions and insights from Ewan McGregor, Jude Law, Judi Dench, Al Pacino, Lily James, Rufus Norris and many more, *The Outstanding Actor* gives you techniques that you can immediately put into practice in rehearsals, classes or private preparation. It also shows you how to increase the chances of having a more successful career. This new edition covers topical issues such as the #MeToo movement, gender balance and race issues, and how these affect working conditions and careers. There are also brand new links to video resources that bring the valuable exercises to life. The book also includes forewords by Damian Lewis and Lily James.

The Reflective Conservatoire, 2005

Gone Too Far! Bola Agbaje, 2021-07-01 Nigeria, England, America, Jamaica; are you proud of where you're from? Dark skinned, light skinned, afro, weaves, who are your true brothers and sisters? When two brothers from different continents go down the street to buy a pint of milk, they lift the lid on a disunited nation where everyone wants to be an individual but no one wants to stand out from the crowd. A debut work produced at the Royal Court's Young Writers Festival, *Gone Too Far!* is a comic and astute play about identity, history and culture, portraying a world where respect is always demanded but rarely freely given. *Gone Too Far!* premiered at the Royal Court Theatre in 2007 where it was awarded the Laurence Olivier Award

for Outstanding Achievement in an Affiliate Theatre, 2008. It is published here in an abridged form as part of Methuen Drama's Plays For Young People series.

A Guide to Teaching Art at the College Level Stacey Salazar,2021 This accessible guide will help studio art and design professors meaningfully and effectively transform their curriculum and pedagogy so that it is relevant to today's learners. Situating contemporary college teaching within a historic art and design continuum, the author provides a practical framework for considering complex interactions within art and design pedagogy. Readers will gain a deeper appreciation of college students and their learning, an understanding of teaching repertoires, and insight into the local and global contexts that impact teaching and learning and how these are interrelated with studio content. Throughout, Salazar expertly weaves research, theory, and helpful advice that instructors can use to enact a mode of teaching that is responsive to their unique environment. The text examines a variety of educational practices, including reflection, critique, exploration, research, student-to-student interaction, online teaching, intercultural learning, and community-engaged curricula. Book Features: A clear introduction to research and theory in college learning and art education.A response to the current shift from studio practice to an investment in teaching practice.Reflective prompts, actions, teaching strategies, and recommended resources.User-friendly templates ready to customize for the reader's own content.

Portraits John Berger,2015-10-05 John Berger, one of the world's most celebrated storytellers and writers on art, tells a personal history of art from the prehistoric paintings of the Chauvet caves to 21st century conceptual artists. Berger presents entirely new ways of thinking about artists both canonized and obscure, from Rembrandt to Henry Moore, Jackson Pollock to Picasso. Throughout, Berger maintains the essential connection between politics, art and the wider study of culture. The result is an illuminating walk through many centuries of visual culture, from one of the contemporary world's most incisive critical voices.

The Drowned World Gary Owen,2002 Gary Owen's vicious tale on love, revolt and beauty presents a world divided between citizens and non-citizens, where friends betray one another and where surfaces matter more than love and kinship.

Emilia Morgan Lloyd Malcolm,2023-07-27 'A spicy work of biographical conjecture ... It's also a rousing reminder of the countless creative women who have been written out of history or have had to fight relentlessly to make themselves heard.' EVENING STANDARD 'The great virtue of Lloyd Malcolm's speculative history lies in its passion and anger: it ends with a blazing address to the audience that is virtually a call to arms. It is throughout, however, a highly theatrical piece ... In rescuing Emilia from the shades, [the play] gives her dramatic life and polemical potency.' GUARDIAN The little we know of Emilia Bassano Lanier (1569 - 1645) is that she may have been the Dark Lady of Shakespeare's Sonnets, mistress of Lord

Chamberlain, one of the first English female poets to be published, a mother, teacher who founded a school for women, and radical feminist with North African ancestry. Living at a time when women had such limited opportunities, Emilia Lanier is therefore a fascinating subject for this speculative history. In telling her story, Morgan Lloyd Malcolm represents the stories of women everywhere whose narratives have been written out of history. Originally commissioned for Shakespeare's Globe with an all-female cast, Emilia is published here as a Methuen Drama Student Edition with commentary and notes by Elizabeth Schafer, Professor of Drama at Royal Holloway, University of London, UK.

This is likewise one of the factors by obtaining the soft documents of this **Guildhall Music And Drama** by online.
